

Employment Details

The **Employment** tab allows you to view your current position and any positions you occupied prior to April 2016.

View your job details

- Click on the **View my Job Details** Quick Link
- Job Details are listed in separate information cards
- Click on the relevant card for further information relating to each job

Historical employment details have not been migrated into Employee Self-Service to date. These will be accessible here once available. The ZGrey Chair has been used to show your start date with the Council.
